

Recognise and Report Modern Slavery with the Unseen App

Modern slavery is real. Tens of thousands of people are victims of trafficking and exploitation in the UK today. But this crime can be hard to spot if you don't know what to look for.

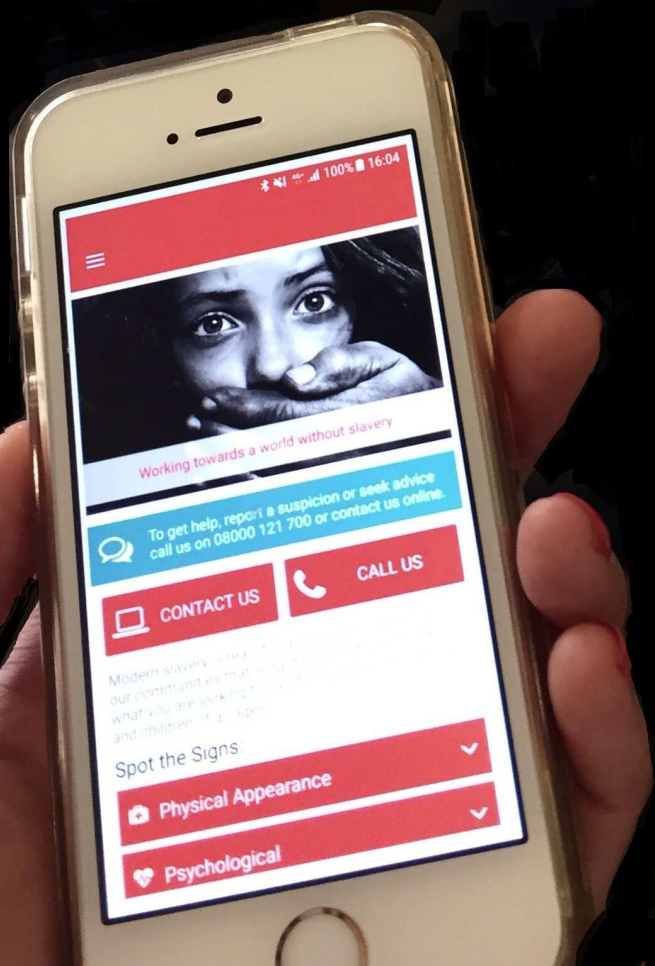

The Unseen App provides a guide to recognising the signs of slavery, and makes reporting it to Unseen's Modern Slavery Helpline as easy as a click of a button.

The Modern Slavery Helpline indicated nearly 5000 potential victims last year. We're launching the Unseen App to free more people from slavery.

Our Helpline is confidential, independent, free, 24/7 and calls can be taken in over 70 languages.

So please, download and start using the Unseen App today.

Your report could mean somebody's freedom.
